### **Item 2 - Paper 10/04 “Collection of feedback on IR Document”**

Members noted that the SD Strategy website would continue to be widely publicised. The SDU would prepare summaries of the discussion forum and consult Support Group (SG) Convenors, before uploading these on the website for public reference.

be invited to share their perspectives.

Members also discussed the need for an independent third party to summarize and analyse community feedback.

Members exchanged views on ways to engage the media in order to achieve a higher level of penetration.
